

Library Catalog -- Locating Mathematics Education Materials

I. CHILDREN'S BOOKS (JUVENILE FICTION AND NONFICTION)

Limit search to Juvenile collection by selecting “Juvenile” from the **Limit to** menu.

TIPS:

Children's books **on particular topics** (fiction or nonfiction)

Keyword search: e.g. **mathematics, counting, fractions**, etc.

Children's books, **nonfiction only:**

Search: e.g. **mathematics “juvenile literature”**

(All juvenile nonfiction books have “juvenile literature” in their subject headings.)

II. TEACHING RESOURCE BOOKS (CLASSROOM ACTIVITIES, LESSON PLANS, ETC.)

MOST mathematics teaching resource books are found under **the call numbers 510-519.**

For Keyword Searching: LIMIT SEARCH by selecting “Teaching Resources” from the **Limit to** menu.

Proceed with **Keyword** search.
